

3.3 Innovation Ecosystem

3.2.1 Institution has created an eco system for innovations including Incubation centre and other initiatives for creation and transfer of knowledge.

Sarbati Devi Women's College had only one programme in B A (Pass & Hons) up to 2016-17 and from the session 2017-18, the College is having two programmes i.e., BA Hons & BSc Hons. The institution doesn't have any systematic programme for innovation of ecosystem. However, with the introduction of B Sc classes, the institution is taking steps to develop an ecosystem for innovation. The institution has been taking steps all these years since its inception to preserve and protect the ecosystem in the College campus. Since, there is a subject like Environmental studies in BA Final year, the students are taught how to make a balance among different components / parts of the ecosystem.
